### ASHLAND HOUSE LAGUNA HILLS CALIFORNIA

**Taking the First Step:** To get help, please call 949-460-0375. The purpose of the Ashland Home is to provide a safe and caring environment for women to get sober with dignity and build a foundation for recovery. Ashland provides a unique home-like atmosphere. While staying at the Ashland Home, time is structured to include 12-step meetings and activities of daily living with other women who are living sober. Ashland Home also offers women the opportunity to extend their stay, once they have been sober for thirty days, in the sober living program at a nominal fee to the women. If you are struggling to stop drinking, we're here for you. You don't have to do this alone. There are women who've been through it themselves, here waiting to help you start the journey to a brand new life.

**Medical Policies:** No medications of any kind are allowed on the Ashland premises.

To get help, please call 949-460-0375

### THE LYNN HOUSE COSTA MESA CALIFORNIA

We welcome any destitute woman struggling with alcohol and drugs that meet the following simple criteria:

1. Has been alcohol and drug free for 12-24 hours.
2. Has not been through The Lynn House in the past year or three other times within her life.
3. Is not taking any mind altering medications or is able to get a doctor's letter stating it is safe to go off of these medications.
4. Is able to commit to at least a 30 day stay.
5. Is not a registered sex offender.
6. Is willing to follow the rules of the house

If you meet these criteria and want help you may come to The Lynn House for 30 days free of charge. We will welcome you into our safe and healing environment. Our beds are available on a first come, first serve basis. The first step is to make that phone call (714) 438-0110. Keep calling until a bed is available!

Project 180 is a forensic treatment agency, offering comprehensive diversion and re-entry programs to offenders. Federal Probation (Case Management)Project 180 offers a number of diverse programs: see website for detailed list of various programs.

CODC Residential at Antelope Valley Recovery Center (AVRC) – Once enrolled in CODC, participants spend their first 90 days of treatment at the AVRC residential treatment program located on a large campus in Acton, California. During their time at AVRC, clients have the opportunity to focus on their substance recovery in a scenic and non-urban setting, while also receiving mental and behavioral health and Case Management support from Project 180 staff. After completing their 90 days in Acton, clients are then transferred to Project 180 housing and treatment in Downtown, Los Angeles for the remainder of their care.

The programs are typically 12-18 months and consist of Bible studies, work projects, education (for adolescents), recreation and more. Many aspects of the program differ slightly between centers, such as cost, application processes, and day-to-day activities. HOLISTIC RECOVERY

Although many potential students do not initiate contact with potential programs, during the admissions process, most programs will want to speak directly with the applicant.

Please understand that it is your responsibility to provide transportation to and from Teen Challenge.

Adolescent Teen Challenge programs generally work with teens ages 12-17. Most adult programs work with individuals over the age of 18. There is not usually an upper range age cap in adult programs. The average age in adult Teen Challenge programs is between 25-35.

Each individual Teen Challenge program has its own policy regarding fees, tuition, and refunds. This information should be thoroughly explained, and provided in writing, at the time of admission. In most cases, admission fees are non-refundable. In adolescent programs where finances are more of an issue, refund policies will be provided by the individual Teen Challenge programs.

There are a few Teen Challenge programs that work with the whole family. there are some Teen Challenge programs that are for mothers and their children. Call (417) 581-2181, or visit our Residential page for more details.

Most Teen Challenge programs require that you detox – preferably a medically supervised detox – prior to entering the program

Costs vary from center to center.

From Jeff Dougherty

July 1 is rapidly approaching and there a number of changes happening regarding Orange County funded and County substance abuse programs. Most importantly, Medi-Cal will be able to pay for residential and out-patient treatment at MediCal approved providers. This is also call Drug MediCal or DMC. I am attaching a list of County funded and DMC providers effective July 1. I have included eligibility criteria for these programs. You may notice there are a number of residential treatment providers who previously provided services but are no longer County supported. If still confused you can contact OC LINKS at 855-625-4657 or the 24 hr. Beneficiary Access Line at -800-723-8641. Sorry for the formatting
