- a place where **women and their children's** broken lives are restored
- faith based
- The Program is a long-term residential program. The duration of our program is between 18 to 24 months
- There is a holding fee to help with orientation that is returned to the program participant after graduation. This will be discussed with each individual based upon their need.
- Depending on the circumstances, if a resident does not have custody of their child/children, our staff members work closely with each individual on a case-by-case basis to ensure that mothers are reunited with their children.
